When: Apr 27, 2020 12:00noon London (11.00am GMT)

Topic: COVID-19: Infection Prevention and Control, MA experiences and learning

Join IPPF service providers and colleagues from around the world to learn more about infection prevention and control in the context of COVID-19 and hear from selected MAs on how they continue to provide services during this pandemic.

IPPF is in the forefront in responding to the COVID-19 pandemic and ensuring the continued provision of essential SRHR services. The *IPPF COVID-19 Task Force* has developed a series of guidance documents to support health providers and members associations (visit the COVID-19 microsite here: <https://ippf-covid19.org/>). This is the first in a series of webinars on COVID-19 and IPPF's response.

A similar webinar will be conducted in French soon. Please send your questions, comments and feedback to: sonyango@ippf.org.
